I'm looking for reliable and quick service that can help me upgrade my home, activities, and lifestyle!

Age: 32

User group: Millennial

Hello! My name is Josh, and I'm a 32 year old living in an apartment in San Francisco and working as a teacher. Living alone, I often need help with home services and value efficient solutions!

Familiarity with Yelp Home Service

How much they use home services

Current Home Service Platform

Motivations to download through ad

- Active need for quick fixes or services
- Efficient, effective solutions or platforms
- Positive reviews, Yelp's trusted reputation.
- Special offers, discounts, or loyalty programs for frequent users.

Commercial preferences

- Preference for video content over traditional forms of media (product videos)
- Prefer User-generated content because it feels more authentic
- Attention span for content: 12 seconds on average
- Prefer watching videos for product validation purposes
- Cohesive ads
