”

I rarely need or think about home services. I'm just starting to learn about the responsibilities from renting my own space.

Age: 20

User group: Gen Z

Hanna is part of the Gen Z user group that recently finished their first year in college. Hanna is learning to take on home service jobs independently and needs support on where to find home services.

Familiarity with Yelp Home Service

How much they use home services

Current Home Service Platform

taskrabbit Google *Word of Mouth*

Motivations to download through ad

- Instant solutions to urgent needs, like last-minute moving assistance
- Easy booking and reliable services.
- Affordable rates or discounts tailored to young renters or first-time homeowners.

Commercial preferences

- Preference to short form content to scroll through
- Instagram catered ads
- UGC where people showcase personal demonstration
- Influencer sponsorship or collab
- Sustainability focus product marketing
